Do plants move?

☆ ☆ ☆

Name: _____ Date: _____

1 Light test

Keep a potted plant near a window for 5 days without turning it.

Day	Which way do the leaves face?	Drawing

2 Think and talk

Talk about these with a grown-up. You can write or draw your answer.

- Plants can't walk. How do they find light and water?
- How can you tell a plant is alive?
- If plants could talk, what would they say about your street?
