Name: _____ Date: _____

1 How to play

1. Cut out the cards. There are action cards (white) and job cards (coloured).
2. Act-it-out round: shuffle the action cards. Take one, do the action, and say what the force did. Right: keep the card.
3. Matching round: lay the 6 job cards face up. Turn over action cards one at a time; the first to slap the right job card and explain wins the action card.
4. Most cards wins.

You need: scissors to cut the cards
